Mkamali Integrated Ventures Enterprises Limited

## ABOUT US

Mkamali Integrated Ventures Enterprises Limited (MIVE) is an agribusiness company incepted and incorporated in December, 2020 by the Business Registrations and Licensing Agency (BRELA) in Tanzania. MIVE's activities among others include growing, processing and packing horticultural products mainly "Natural Cured Vanilla Beans" and "Varieties of Chilies such as Aji Charapita Chilies, Teja Chilies, ABE Chilies, Long Hot Chilies".

In addition, Bee Keeping and Harvesting of the Natural Bee Products such as "Bee Pollen", "Bee Venom", "Bee Honey", "Royal Jelly", "Bee Wax" and "Bee Propolis".

The key focus of the company is to promote value addition of its products through different innovations to enhance the product quality for worldwide consumption. Some of Its products are approved by Tanzania Bureau of Standards (TBS) and the Global GAP Standards Certification by the Control Union - Netherlands.

## OUR VISION

To be a global leader in the production and supply of quality natural bee products, natural vanilla beans and other spices in the world market.

## OUR MISSION

To promote better health and cognizant livelihood of prospective clients through innovative climate resilience agricultural practices and sustainable business while protecting the environment.

## CORE VALUES

---

Focusing and delivering on customer's specific requirements

---

Bearing professional, responsibility, honesty & trustworthy

---

Being creative in development of our products

---

---

Being passionate and enthusiasm about our mission

---

Undertaking every task with skills and innovations

---

Exercising empathy and being determined to grow

---

## ENVIRONMENTAL STRATEGY

The company is committed to minimizing the impact of its activities on the environment, whilst also striving for acceptable working conditions throughout our supply base for sustainability.

## MIVE'S PRODUCTS PORTIFOLIO

### The product portfolio includes:

- ▶ Natural Processed Organic Vanilla Beans (Gormet Vanilla Beans)
- ▶ Natural Bee Products (Bee Pollen, Bee Venom, Bee Honey, Royal Jelly and Bee Propolis)
- ▶ Distinguished Varieties of Chilies (Aji Charapita Chilies, Teja Chilies, ABE Chilies, Ect.)
- ▶ Hass Green Avocados and Orange Fleshed Sweet Potatoes

The Company shall continue to innovatively develop its products offering in order to give value to consumers as the market continues to evolve since the vanilla market is very volatile globally. However, a successful penetration of the world market will enable us improve the well beings of all our stakeholders.
